St Mungo's Church Youth Weekend

Here's what they said about last year.....

It was the highlight of my year.

The whole weekend was an unmatched and unbelievably incredible experience :)

It was absolutely amazing :)

It's an amazing time to spend with friends and getting closer to God and it really makes a difference to your life afterwards.

The bonfire, "nap time" and the fire tunnels were pretty awesome too!

As is also for awesome weekend and of course not forgetting the bacon rolls...
